\*Nonstore retailers, part of SIC major group 53, are shown separately in this table.

As a result of differences in the definition, the 1958 data for the Worcester, Massachusetts, Standard Metropolitan Statistical Area (as presented in Table 103 of this report) are not directly comparable with those for 1954 (as presented in Table 103A of this report). The following table identifies the places included in the 1958 definition but not in 1954, and provides data for these additional places. Subtracting these data from those shown in Table 103 will provide 1958 data for the area as defined in 1954.
